Lone Jack School District
Online Class(Launch) Form

Lone Jack has extra educational opportunities through an online program called Launch. It is important that a student inquiring about taking an online class understands the demand of an online class and meets one of the requirements to take an online class. Launch classes are a privilege and need to be requested by both student and parent, then needs to be approved by administration. The counselors will work with the student and parents to see if online classes are the right thing for the student. Online classes are a last effort as it is prefered for the students to be in class with an in person instructor.

What makes a good online student?

Good Time Management
Can the student create and maintain a study schedule throughout the semester without the face-to-face interaction with a teacher?

Effective Communication
Can the student ask for help, make contact with other students and/or instructors online and describe any problem he/she is having with the learning materials using email?

Independent Study Habits
Can the student study and complete assignments without direct supervision and maintain the self discipline necessary to stick to a schedule?

Self-Motivation
Does the student have a strong desire to learn skills, acquire knowledge and fulfill assignments in online courses because of their educational goals?

Technologically Prepared
Does the student know how to open, create and/or save a document, use various technology tools and identify file formats (e.g., doc, xls, pdf, jpg)?

Reasons to take an online class

Trying to get ahead(going to STA, CCC or MIC).
Wanting an option that our school does not offer.
A class will not fit into their schedule.

Lone Jack pays extra for a student to take an online class through Launch. The administration has the right to refuse any request, and if a class is failed then a student can forfeit their privilege of taking any further online classes.
